

# **ENGINEER REQUIRED TO OPERATE COMPANY PROVIDED VEHICLE**

## **CLAIM 8 HOURS BASIC DAY PENALTY**

**Engineer NAME & ID claiming 8 hours basic day penalty for being instructed by Carrier Officer NAME to operate company provided transportation from LOCATION to LOCATION on DATE while working JOB #. This claim is supported by Article VIII, Section 3 of the 1986 458 Award which identifies what other duties an Engineer may perform without additional compensation in connection with their assignment. Self-transporting myself and others within/outside terminals is not one of the duties identified in Section 3 thereby making this claim valid.**

**Remember to document everything that happens on your Federal Tie Up Screen. You have 60 days from the time the claim happened to get it put in but only one chance to do your FRA Reporting correctly. So do the FRA Reporting and ask about the claim if you are not sure.**
